

DL-Active-Award

The German Amateur Radio Club (DARC) e.V., local group (OV) Ertingen, DOK P57, publishes this diploma in 2 classes on the occasion of the peace since 1945 in Germany, which can be applied by radio amateurs and accordingly by SWLs for connections after the 1st of January, 2002.

Class A: The diploma is a performance-certificate and can be worked every year again. Valid are only qsos from the same year (#yy-001)

Class B: All qsos are valid.

The applicant must fulfill the following conditions:

1. You have to work stations from Germany with different DOK-numbers from 1 to the number of peace years in Germany (from 1945), so in 2002 you have to work 57 stations from DOK-number 1 to 57, in 2003: 58 stations from 1 to 58, in 2004 from 1 to 59 ... and so on. You can include a maximum of 10 station with a greater DOK-number (as the maximum needed) as a joker for any missing DOK-number.

2. Every district (A to Z without J) must be included once and a maximum of 10 stations per district are allowed. Special DOK don't count!

3. Every DOK number counts only once.

4. All bands and modes are accepted without packet radio.

The award application is sent with a confirmed list of existing QSL cards (GCR list) and with the fee* (see below) to the following address:

Michael Burgmaier, DH8BM (DIG 4976)
Heudorfer Str. 9
D-88521 Ertingen

Additional informations:

The DARC is organized in 24 districts named by a letter from A to I and K to Y and a 2-digit-number. The letter Z is for the VFDB organisation and counts as a DARC district. Each district is divided into several local groups named with two numbers, f.e. local group Ertingen is P57, P stands for district Wuerttemberg, and therein it is the 57th local group.
